Dear Lary:

I received your card, saying you were coming to camp. You did not make it clear whether you wanted me to send you fare or not. I am sending it so you will not be held up if you can arrange to come.

Did you discuss it with Coach Hucles? It would be better if he was satisfied to have you leave.

We leave for camp this coming Monday April 12th, and will train at Dunn Field Trenton New Jersey. The headquarters will be The Citizens Club on Willow St, c/o Mr Dorry Larrimore.

Drop me a line whether to expect you, and what day. If you come right away, come directly to camp, and you can make the trip to Patterson the first week end.

Very Truly Yours
